

# PIELSTICK ENGINE

## The piston ring set

### Designed to optimize maintenance operations

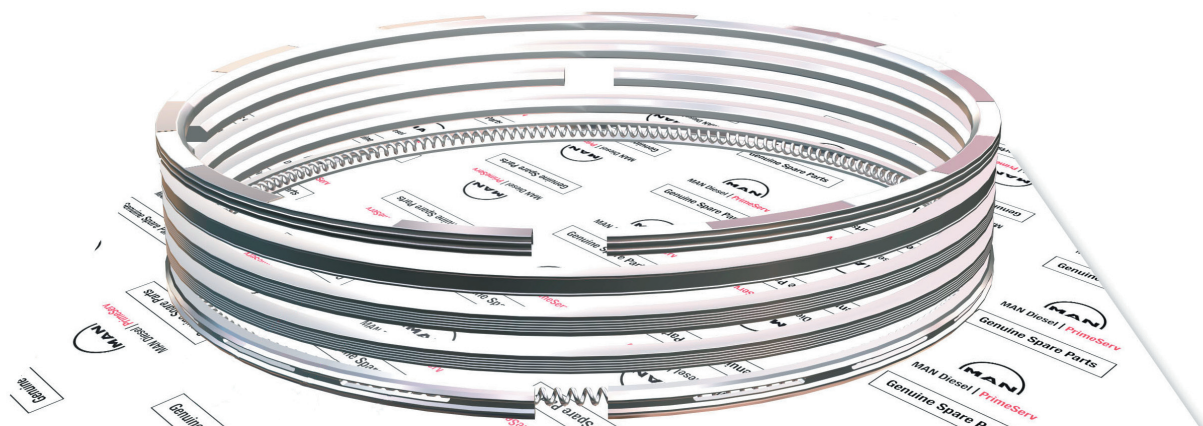

The piston ring set was specially designed to optimize your maintenance operations during the engine overhauls. The set includes **all the piston rings required** during the piston overhaul or ring renewal operations.

They are packaged under a **protective anti UV film**. This set is completed with a **3D illustration**, making easier the location of the rings on the piston.

# PIELSTICK ENGINE

## The piston ring set

## 1 reference for 1 maintenance operation

### ADVANTAGES

- Order security :
  - no possibility to forget a ring for your overhaul
- Preparatory work time savings :
  - easy storage
  - easy identification
  - fast installation of the rings
- Improved reliability :
  - adapted and protective packaging

### ORDER

The overhaul sets can be ordered, according to the engine types, with the following identification numbers.

All these sets are **available from stock**.

For any other engine, please contact your usual correspondent.
